PROCUREMENT MANAGEMENT SOLUTIONS
RFQ Number: FY26-09**

AMENDMENT 002

Amendment 002 is hereby issued as follows:

- A. Exhibit A is hereby deleted and replaced with Exhibit A as Revised 9/10/26.
- B. Bidders shall price Procurement and Accounting Solutions separately; providing a complete pricing proposal, identifying implementation costs, software licensing/subscription fees, integration costs, training, support, maintenance, transaction/user fees, optional features, and any other recurring or non-recurring costs.
- C. Bidders will be asked to present their proposals virtually and conduct a live demonstration using representative procure-to-pay scenarios, including: Purchase Requisition; approval routing; budget/funding verification; procurement workflow; PO creation; invoice capture; three-way match; exception routing; straight-through processing; payment approval; reporting; and audit-trail retrieval.
- D. The RFP deadline has been extended to 12pm EST, September 17, 2026.
- E. Bidders must acknowledge Amendment 001 and this Amendment 002 within their technical proposal.

All other Requirements, Terms and Conditions remain the same.
